

ROKARE VOLUNTEER BULLETIN JULY 2018

Photos: Tracking tunnel time again..

Swarm of Rotokare Ambassadors building a bridge!

SUNDAY WORKING BEES

***** 9am start *** BBQ lunch supplied afterwards *****

Please bring: Water bottle and snacks in small day pack, sturdy footwear.

Sunday 1st July

- LINE CLEARING – loppers in the bush, tidying up tracks ahead of the tracking tunnel run later this month.

Sunday 8th July

- LINE CLEARING – loppers in the bush, tidying up tracks ahead of the tracking tunnel run later this month. Includes clearing back veg from the Barrier-Free track for those that don't like hills.
- TRAP SWAPPING – it's time to swap rusty stoat traps around the Lake Edge with clean ones; carry some out there and some back again.

Sunday 15th July – no working bee

Sunday 22nd & 29th July

- HIGH-RISK TRACKING TUNNELS: Baiting cards in tracking tunnels, collect them the next week. Bush lines at the front of sanctuary, also easier sections eg Fence and Lake Edge.

Photos: The Great Shed Tidy-up! Stacking equipment in bottom shed; tractor finally parked in its own shed.
